Сводный анализ инвестиционной привлекательности Северо-Кавказского федерального округа

Петрозаводск, 2020

RESEARCH 05.08.2020

Summary analysis of investment attractiveness of the North Caucasian Federal District

The study was prepared for the purpose of complex analysis of investment activities of the North Caucasian Federal District regions, including the formation of a list of potentially attractive economic activities, as well as the formation of a pool of possible investment projects, including through the organisation of industrial integration between its subjects.
