

9–10 APRIL 2019

INTERNATIONAL ARCTIC FORUM

ST. PETERSBURG • RUSSIA • 2019

MAIN THEME:

‘THE ARCTIC. AN OCEAN OF OPPORTUNITY’

Vladimir PUTIN
President of the Russian Federation

Russia invariably seeks to strengthen cooperation with the states of the Arctic region. I am convinced that only if we act together will we be able to turn the Arctic into a territory of peace, stability and partnership.

The meeting’s theme — The Arctic: An Ocean of Opportunity — fully reflects our openness to such multifaceted and equitable cooperation.

PARTICIPANTS

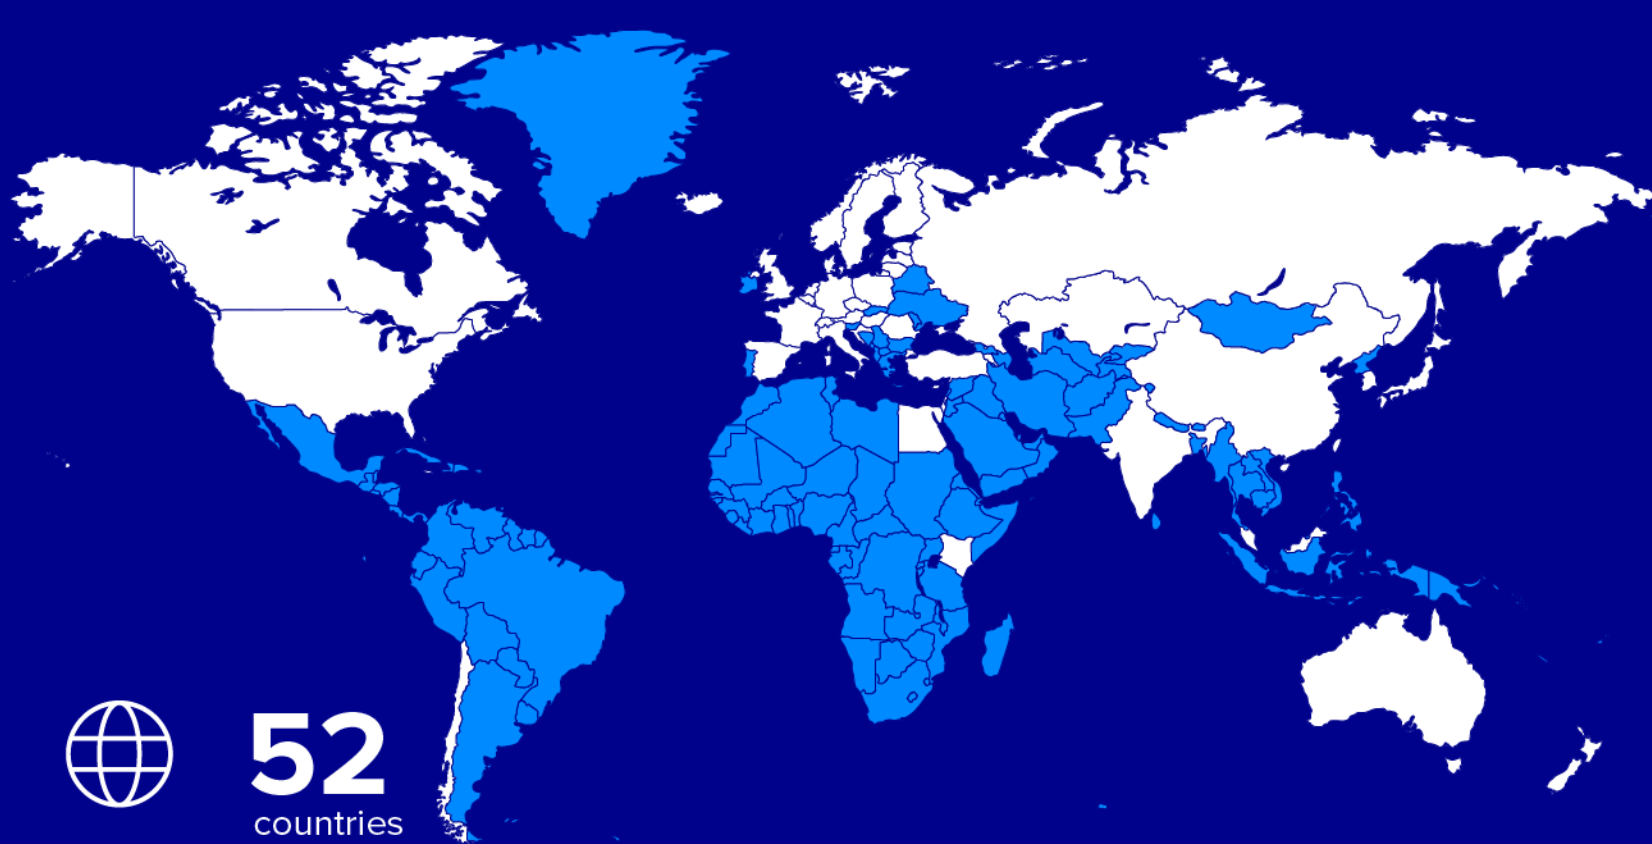

More than
3,600
participants

from the political, scientific, and business communities, as well as public representatives and leading media outlets from Russia and around the world
