

Dear participants of the Verona Eurasian Economic Forum,

You must [register](#) in advance in order to attend the event and be admitted to the venue. Documents confirming your COVID status and PCR test results are not required.

Please take note of the requirements for entry to Azerbaijan:

A PCR test is not required.

You must provide one of the following documents when completing your flight registration:

- COVID passport (official certificate confirming that you have completed a full course of vaccination or single dose for Johnson & Johnson / Janssen and Sputnik Light);
- official certificate confirming recovery from COVID-19;
- certificate of exemption from the COVID-19 vaccine due to medical contraindications.

Your COVID passport, certificate of immunity or certificate of exemption from vaccination against COVID-19 must contain data that **can be digitally verified**, be issued by your government and be **valid** on the flight date.

When returning to Russia, you must complete an arrival form, submit a PCR test and upload the results to the State Services website. Citizens with COVID-19 certificates are not required to take a test, but must provide details of their certificate in the arrival and PCR test result forms. More information about the requirements for citizens returning to Russia can be found on the [State Services website](#).

Foreign nationals, excluding citizens of Belarus, must present a negative PCR test result for COVID-19 taken no earlier than 48 hours before arriving in Russia.
